

CC AHEC OVERVIEW

Summary

- Capital City Area Health Education Center (CC AHEC) is a non-profit 501(c)(3) health education organization serving the District of Columbia.
- CC AHEC is a part of the National Area Health Education Center Organization, a network of AHECs funded by the federal Health Resources & Services Administration.
- We are committed to improving the supply, distribution, diversity and quality of the health care workforce, to increase access to health care in medically underserved areas.

Mission and Goals

At CC AHEC we:

- Develop and support the community-based, interdisciplinary training of health professional students, particularly in underserved rural and urban areas.
- Provide continuing education and other services that improve the quality of community-based health care.
- Recruit underrepresented minority and disadvantaged students into the health professions through a wide variety of programs targeting elementary through high school students.
- Facilitate and support practitioners, facilities, and community-based organizations in addressing critical local health issues in a timely and efficient manner.

CC AHEC Serves:

- Students
- Safety Net Primary Care Providers
- Hospitals
- Academic Institutions
- Advocacy Organizations
