

GlobalLearningSystems™ works with some of the most respected and successful organizations around the world. And for good reason.

We are a leading global provider of integrated, customized e-Learning solutions. The **GlobalLearningAlliance™** provides learning services in over 70 countries. With a 20-year operating history providing award-winning learning products and services, we have the experience and talent to deliver total learning solutions that support your key business objectives.

We listen to our clients and respond. Hewlett Packard (HP) agrees. "We have had great success working with GlobalLearningSystems in providing

online learning for our sales force as they move to our new Oracle CRM product." That's performance enhancement.

Call us toll-free or visit our website to learn more about our powerful e-Learning solutions. What we have done for these companies and many others, we can do for you.
